TWO HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENTS

Free to Merced County Residents

Merced – The Merced County Regional Waste Management Authority (Authority) is hosting two free Household Hazardous Waste Collection Events (HHW) in April. The first HHW event will be held on Saturday, April 14, from 8:00 a.m. to 12:00 p.m. for all Merced County residents and Conditionally-Exempt Small Quantity Generators (CESQG). This event will be held at the Highway 59 Landfill HHW Facility, 7040 N. Highway 59, Merced.

A second event will be held in conjunction with the City of Los Banos Spring Cleanup on Saturday, April 21, from 7:00 a.m. to 2:00 p.m. HHW collection will be located at 403 F Street, Los Banos. Please note, the trash cleanup is for City of Los Banos residents only, but the Household Hazardous Waste event is open to all Merced County residents and Conditionally-Exempt Small Quantity Generators (CESQGs).

HHW is any leftover household product that contains ingredients that are “corrosive,” “reactive,” “ignitable/flammable,” and/or “toxic.” Examples of HHW include: Ammonia-based cleaners, non-empty aerosol cans, fluorescent tubes, automotive and household batteries, paint, pool chemicals, solvents, and used motor oil (in containers no larger than 5 gallons in size).

Before bringing items out to the facility, please call 916-296-7478 to identify the amount and type of HHW that will be dropped off. Please note that under State of California transportation regulations, there are quantity limitations on how much HHW can be transported. There is no cost for residents within Merced County, but quantity limitations apply. Fees apply for CESQGs.
