**RE: Availability of Draft Amendment No. 11 to the 2009 FTIP for Interagency Consultation and Public Review**

The Merced County Association of Governments (MCAG) is proposing a formal amendment (Type # 3) to the 2009 Federal Transportation Improvement Program (FTIP). The 2009 FTIP is the programming document that identifies four years (FY 08/09, FY 09/10, FY 10/11, and FY 11/12) of federal, state and local funding sources for projects in Merced County. The proposed amendment will be circulated for a 14-day public comment period. MCAG's adopted amendment procedures do not require a public hearing for Amendment Types #2 and #3. This amendment adds one Section 130 rail project at the request of Caltrans Division of Rail.

The FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450. This amendment includes the addition of exempt projects. FTIP amendment 10 is consistent with the 2007 Regional Transportation Plan. The funding changes do not interfere with the timely implementation of any approved Transportation Control Measures (TCMs), and the TIP as amended conforms to the applicable SIP. The changes in this FTIP amendment do not interfere with air quality conformity or changes to the conformity analysis years, therefore, a new air quality conformity determination is not required. State and Federal approval will be required.

### **Public Input**

This amendment will be available for 14-day public review and comment beginning July 31, 2009 concluding on August 13, 2009. Comments will be accepted on the FTIP amendment until 5:00 pm on August 13, 2009. The MCAG board is scheduled to take action on this amendment at their regularly scheduled August 20, 2009 meeting.

The following documentation is included in the Amendment 10 to the FTIP document and may also be found online at [www.mcagov.org](http://www.mcagov.org).
