Subject: Administrative Modification No. 6 to the 2019 Federal Statewide Transportation Improvement Program (FSTIP)

Dear Mr. De Terra,

Merced County Association of Governments (MCAG) has approved the following **Administrative Modification No. 6** to the 2019 Federal Transportation Improvement Program (FTIP) and the 2019 Federal Statewide Transportation Improvement Program (FSTIP).

- **(205-0000-0284): Livingston Phase 1 Paving Six Dirt Alleys:** Making technical fix to description with no financial change.

These programming changes are consistent with Caltrans' procedures for federal statewide transportation program (FSTIP/FTIP) modifications, Administrative Modification (Type 1), and do not require an air quality conformity analysis or determination.

The following items are applicable to **Administrative Modification No. 6** to the 2019 FTIP:

- The CTIPS databases have been modified;
- An updated financial summary is not required for Administrative Modifications (Type 1);
- Conforms to the State Implementation Plan (SIP) for air quality;
- Does not adversely affect the timely implementation of Transportation Control Measures (TCMS);
- These projects are exempt, non-regionally significant projects, and these changes do not reflect a change in the design concept and scope of the program or the conformity analysis years as assumed for the regional emissions analysis of the currently conforming Regional Transportation Plan (RTP) and the Federal Transportation Improvement Program (FTIP);
- Public review is not required by MCAG's Public Participation Plan;
- This administrative modification does not add programming capacity that relies on the State's federal programming capacity.

- Caltrans HQ Programming and FHWA concur with MCAG's employment of this Administrative Modification to make the above-mentioned changes.

With Caltrans' delegation of authority to approve FSTIP Administrative Modifications, which was approved on September 22, 2011, MCAG is approving this **FTIP/FSTIP Administrative Modification No. 6**.

This approved **FTIP/FSTIP Administrative Modification No. 6** is being provided to Caltrans, FHWA, FTA, and other appropriate stakeholders. Caltrans will post the approved administrative modification on the Division of Transportation Programming Website.

If you have any questions regarding this administrative modification, contact Ty Phimmasone at (209) 723-3153 ext. 123.

Sincerely,

Stacie Dabbs
Executive Director
